Under the Direct Subsidy Scheme (DSS), the total tuition fee per annum for S4 will be HK$23,000, paid in 10 instalments (September – June) in 2011-2012.

Students have to pay the first instalment of tuition fee in September as they are officially admitted to HKSC. No refund of any tuition fee paid if students give up the place afterwards.

The Tuition Fee Remission Scheme aims to help students who are passionate about learning and having financial difficulties. Due to the limited amount of fund, eligible students should contact and submit their remission application immediately to Ms Cheung of the General Office once they are officially admitted to HKSC.

Students of our school are also eligible to apply to Student Financial Assistance Agency for textbook assistance and travelling allowance while applying at the time of application.

Applicants should inform the school when they apply for tuition fee remission if they are receiving Comprehensive Social Security Assistance for the ease of application procedures.
